Re: United States v. Dominick Curatola, et al.
Criminal Docket No. 10-991 (S-1)(JS)

Dear Warden Zerillo:

United States District Judge Joanna Seybert has directed the government to provide copies of all the wiretap intercepts in connection with this case to the Queens Private Correctional Facility ("QPCF") and to ensure that they are made available to the defendants listed on Exhibit 1, who are housed at the QPCF. The government therefore encloses twenty (20) compact disks, labeled Disks #4 through #23, which contain recorded telephone calls, text messages and linesheets. I also enclose the Rule 16 discovery letter, dated March 3, 2011, in connection with the above-referenced matter.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me at the number below.

Very truly yours,

LORETTA E. LYNCH
United States Attorney
